Repair a Home

A safe home is essential for the healthy growth of a child. This gift helps to provide home repairs for vulnerable children, leaving them free from anxiety and better able to focus on making friends, going to school and fulfilling their dreams.

Message:

Thank you for helping us find the leak in our basement. Because you did not send us a bill for your services, we sent a donation to Compassion Canada in your name to help someone less fortunate than us, in the repair of their home. Once again, Thank you!
